REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
United States Patent and Trademark Office
Office of Initial Patent Examination
Customer Service Center
Washington DC 20231

Dear Sir:

Applicants hereby request a Corrected Filing Receipt be issued for the above referenced patent application. The Patent Office has misstated the filing fee received and the number of total claims.

This application is a divisional of U. S. application Serial No. 09/620,606 (the parent application), which is a divisional of U. S. application Serial No. 08/916,692 (the grandparent application). The grandparent application contained claims 1 – 80. The parent application was filed with a preliminary amendment which added claims 81 – 465. That preliminary amendment (a copy of which is enclosed herewith) was inadvertently omitted at the time that the instant application was filed, but was incorporated by reference by the Utility Application Transmittal (Form PTO/SB/05).

A preliminary amendment filed in the instant application canceled claims 1 – 442, leaving claims 443 – 465 for examination. Accordingly, applicants respectfully

request that the total number of claims be listed as 23 and the filing fee received be listed as \$764 on the Filing Receipt.

A copy of the original Filing Receipt with the corrections marked in red ink is enclosed.

Also enclosed is a return postcard. Please date stamp the postcard and return it to us to acknowledge receipt of this Request.

The Commissioner is hereby authorized to charge any underpayment or credit any overpayment to our Deposit Account No. 20-0888. A duplicate copy of this Transmittal letter is enclosed.

Respectfully submitted,

Edward L. Pencoske
